

Putting for Parkinson's

the reason behind the event

.....

COACH TIM TOUCHBERRY is an amazing man that has positively impacted many lives throughout his career in the school system and life in general! Coach started teaching and coaching in August of 1972 at North Charleston High School, and moved to Stall High School a year later to coach JV Football, and Varsity Basketball. After four years at Stall, Coach moved to Summerville High School for the next 15 years where he coached JV Football, Varsity Basketball, and Track during his time as a Greenwave. When Dorchester District 2 expanded, Coach moved to Fort Dorchester High School to be its first Athletic Director and head Track Coach. Coach remained at Fort Dorchester until May 2006 when he retired. During his 34 years in the school system, Coach earned numerous awards and designations (too many to name here!), but most importantly, he positively influenced and helped shape many of the lives he encountered. While everyone Coach has ever met has been like family to him, he has been surrounded by a loving family through all of this. When Coach was not working, he enjoyed, and continues to enjoy, the luxuries of the Lowcountry—bottle hunting, shrimping, and boating—among others. In 2003, Coach was diagnosed with Parkinson's disease.

PARKINSON'S DISEASE is a disorder of the central nervous system that involves the malfunction and death of vital nerve cells in the brain. These dying neurons affect the dopamine levels, which send messages to the part of the brain that controls movement and coordination. As the disease progresses, dopamine levels decrease and leave a person unable to control movement normally. Some of the common motor side effects of Parkinson's is tremors, slowness of movement, muscular rigidity or stiffness, and postural instability. Some may also experience pain, dementia or confusion, fatigue, sleep disturbances, depression, cognitive changes, and fear or anxiety.

Parkinson's affects between one and one and a half million Americans, with 60,000 people being diagnosed in the United States each year. The average age of onset is 60, but approximately 4% of cases are diagnosed before the age of 50. Parkinson's can be diagnosed through tests and is best done by a neurologist that is experienced in and has training in assessing and treating Parkinson's. Ideally, one should visit a movement disorder specialist, which is available at The Medical University of South Carolina. Currently, there is no cure. Treatment options consists of management of symptoms through medication and surgery. Exercise can be a wonderful way to help those with Parkinson's. auction & raffle items

.....

We are always looking for great items to include in an auction and/or raffle. In the past, we have had items ranging from gift certificates, gift baskets, jewelry, art, on up to trips of assorted sizes. Please feel free to contact us if you have any questions about items you are thinking about donating. For past events, we have also had businesses that were unable to be sponsors that year donate items. Auction/raffle items can be mailed to us or picked up by us with enough notice.

important information

.....

Please complete and submit all appropriate forms and information.

Golfers: Please try to complete one form for your entire foursome if you are submitting a paper form. Also, do not worry if you want to play but do not have an entire foursome. We will make pairings for individuals and groups of less than four players. Your golfer donation includes tickets for you and one guest to the dinner and a t-shirt for the golfer.

Golfers, please let us know if you plan to stay for the dinner afterwards AND if a guest will be joining you. (This is to help us make sure there is plenty of food for everyone attending the dinner.) Please register no later than **Friday, April 5, 2020**. Your payment **must** be mailed with your registration information to secure your spot or paid online. Golfer availability is based on a first come first serve basis, and spots can only be secured with **both** your payment and registration information. This event will fill up, so register early!!! **(We will accept golfer registration after this date if space allows.)**

Sponsors: Sponsorship forms and information are due no later than Friday, March 25, 2020 to ensure your name is included on printed material. **(We will accept sponsorship after this date; we just cannot guarantee your name will be on printed material.)** Please email your logo (as a high quality .pdf

Putting for Parkinson's

important information continued

.....

and/or .eps file—the same you would send to a graphic printer) to jamie@puttingforparkinsons.com. We truly appreciate your sponsorship and are excited to have you participate in the golf tournament, but **we need you to let us know if you are planning to use the golf spots and dinner tickets** that come with your sponsorship. This allows us to plan appropriately.

Please call or email us with any questions you may have about the event: **Jamie Touchberry** at 843.670.8462/jamie@puttingforparkinsons.com or **Rachel Cole** at 843.696.0761 /rachel@smoothsailingevents.com

payment & mailing information
